USING VOICE MAIL TO E-MAIL*:

1. Check your E-Mail as you normally would.
2. When you get a voice mail message, you will receive an email from 'YOURTELEPHONE' delivered right to your inbox. The message will have an attachment.
3. Open the attachment and your media player will play the message.
4. If desired, save the attachment on your PC.
5. Follow the links in the message to save or delete the message from the Voice Mail system.

* This option is available to those with Internet access. If you wish to receive your messages through your email, please contact our office and we will help you set up your notification settings. Otherwise, you may visit www.managemyphone.com or download Phone Central to make these changes yourself.
