The company uses reasonable network management practices that are consistent with industry standards. West River Cooperative Telephone Company, Inc. tries to use tools and technologies that are minimally intrusive and, in its independent judgment guided by industry experience, among the best in class. Of course, the company's network management practices will change and evolve along with the uses of the Internet and the challenges and threats on the Internet.

All broadband Internet service providers manage their networks. Many of them use the same or similar tools as West River Cooperative Telephone Company, Inc. If West River Cooperative Telephone Company, Inc. didn't manage its network, its customers would be subject to the negative effects of spam, viruses, security attacks, network congestion, and other risks and degradations of service. By engaging in responsible network management, including enforcement of this AUP, West River Cooperative Telephone Company, Inc. can deliver the best possible broadband Internet experience to all of its customers.

A. Network Management

West River Cooperative Telephone Company, Inc. uses various tools and techniques to manage its network, deliver the Broadband Service, and ensure compliance with this AUP and the Customer Agreement. These tools and techniques are dynamic, like the network and its usage, and can and do change frequently. West River Cooperative Telephone Company, Inc.'s network management practices may include (i) identifying spam and preventing its delivery to customer e-mail accounts, (ii) detecting malicious Internet traffic and preventing the distribution of viruses or other harmful code or content, (iii) temporarily lowering the priority of traffic for users who are the top contributors to current network congestion, and (iv) using other tools and techniques West River Cooperative Telephone Company, Inc. may be required to implement in order to meet its goal of delivering the best possible broadband Internet experience to all of its customers.

B. Network Usage and Data Consumption Restrictions

You acknowledge that all of the West River Cooperative Telephone Company, Inc. Internet services are intended for periodic, active use of email, user newsgroups, transfers via FTP,

Internet chat, Internet games, and browsing of the Internet. You must comply with all current bandwidth, data storage, and other limitations on the West River Cooperative Telephone Company, Inc. Internet services that have been established by West River Cooperative Telephone Company, Inc. and West River Cooperative Telephone Company, Inc. suppliers. You agree not to intentionally use the West River Cooperative Telephone Company, Inc. Internet service on a standby or inactive basis in order to maintain a connection. The excessive use or abuse of West River Cooperative Telephone Company, Inc.'s network resources by one Customer may have a negative impact on all other Customers. Accordingly, in addition to the Prohibited Uses and Activities provided in Section I, you may not use the West River Cooperative Telephone Company, Inc. Internet service or take any action, directly or indirectly, that will result in excessive consumption or utilization of the system or network resources, or which may weaken network performance, as determined in West River Cooperative Telephone Company, Inc.'s sole discretion. Such prohibited actions include, but are not limited to: using the West River Cooperative Telephone Company, Inc. Internet Services to host a web server site which attracts excessive traffic at your location, continuously uploading or downloading streaming video or audio, use net hosting, continuous FTP uploading or downloading, or acting in a manner that negatively effects other users' ability to engage in real time exchanges and use of the West River Cooperative Telephone Company, Inc. Internet Services.

Therefore, West River Cooperative Telephone Company, Inc. reserves the right to impose and enforce bandwidth usage thresholds based on individual broadband service plans limiting the amount of data you are able to upload and download within specific time periods. West River Cooperative Telephone Company, Inc. also reserves the right to suspend or terminate Broadband Service accounts where data consumption is not characteristic of a typical user of a similar Broadband Services account as determined by West River Cooperative Telephone Company, Inc. in its sole discretion.

Common activities that may cause excessive data consumption in violation of this AUP include, but are not limited to, numerous or continuous bulk transfers of files and other high capacity traffic using (i) file transfer protocol ("FTP"), (ii) peer-to-peer applications, and (iii) newsgroups. You must also ensure that your use of the Broadband Service does not restrict, inhibit, interfere with, or degrade any other person's use of the Broadband Service, nor represent (as determined by West River Cooperative Telephone Company, Inc. in its sole discretion) an overly large burden on the network. In addition, you must ensure that your use of the Broadband Service does not limit or interfere with West River Cooperative Telephone Company, Inc.'s ability to deliver and monitor the Broadband Service or any part of its network.

If you use the Broadband Service in violation of the restrictions referenced above, that is a violation of this AUP. In these cases, West River Cooperative Telephone Company, Inc. may, in its sole discretion, suspend or terminate your Broadband Service account or request that you subscribe to a higher tier of the Broadband Service if you wish to continue to use the Broadband Service at higher data consumption levels.

West River Cooperative Telephone Company, Inc.'s determination of the data consumption for Broadband Service accounts is final.

However, if the Broadband Service is used in a way that West River Cooperative Telephone Company, Inc. or its suppliers, in their sole discretion, believe violates this AUP, West River Cooperative Telephone Company, Inc. or its suppliers may take any responsive actions they deem appropriate under the circumstances with or without notice. These actions include, but are not limited to, temporary or permanent removal of content, cancellation of newsgroup posts, filtering of Internet transmissions, and the immediate suspension or termination of all or any portion of the Broadband Service (including but not limited to newsgroups). Neither West River Cooperative Telephone Company, Inc. nor its affiliates, suppliers, or agents will have any liability for any of these responsive actions. These actions are not West River Cooperative Telephone Company, Inc.'s exclusive remedies and West River Cooperative Telephone Company, Inc. may take any other legal or technical actions it deems appropriate with or without notice.

West River Cooperative Telephone Company, Inc. reserves the right to investigate suspected violations of this AUP, including the gathering of information from the user or users involved and the complaining party, if any, and examination of material on West River Cooperative Telephone Company, Inc.'s servers and network. During an investigation, West River Cooperative Telephone Company, Inc. may suspend the account or accounts involved and/or remove or block material that potentially violates this AUP. You expressly authorize and consent to West River Cooperative Telephone Company, Inc. and its suppliers cooperating with (i) law enforcement authorities in the investigation of suspected legal violations, and (ii) system administrators at other Internet service providers or other network or computing

facilities in order to enforce this AUP. Upon termination of your Broadband Service account, West River Cooperative Telephone Company, Inc. is authorized to delete any files, programs, data, e-mail and other messages associated with your account (and any secondary accounts).

The failure of West River Cooperative Telephone Company, Inc. or its suppliers to enforce this AUP, for whatever reason, shall not be construed as a waiver of any right to do so at any time. You agree that if any portion of this AUP is held invalid or unenforceable, that portion will be construed consistent with applicable law as nearly as possible, and the remaining portions will remain in full force and effect. You agree to indemnify, defend and hold harmless West River Cooperative Telephone Company, Inc. and its affiliates, suppliers, and agents against all claims and expenses (including reasonable attorney fees) resulting from any violation of this AUP. Your indemnification will survive any termination of your services with West River Cooperative Telephone Company, Inc.

YOU AGREE TO DEFEND, INDEMNIFY AND HOLD WEST RIVER COOPERATIVE TELEPHONE COMPANY, INC. HARMLESS FROM ANY AND ALL LIABILITIES, COSTS AND EXPENSES, INCLUDING REASONABLE ATTORNEYS' FEES, RELATED TO ANY VIOLATION OF THIS AUP BY YOU OR AUTHORIZED USERS OF YOUR ACCOUNT, OR IN CONNECTION WITH THE USE OF THE SERVICE OR THE INTERNET OR THE PLACEMENT OR TRANSMISSION OF ANY MESSAGE, INFORMATION, SOFTWARE OR OTHER MATERIALS ON THE INTERNET BY YOU OR USERS OF YOUR ACCOUNT. Your indemnification will survive any termination of your services with West River Cooperative Telephone Company, Inc.
